Re: Asbestos Removal  
The Harshaw Chemical Company  
1000 Harvard Avenue, Cleveland, Ohio

Dear Ms. Becker:

This letter is to confirm our telephone conversation on this date. Accordingly, we will put all asbestos material in four mill bags and then in lined fiber pac barrels. We have contacted Doherty Sanitary Landfill, Inc., in Geneva, Ohio and they will accept these barrels for final disposal.

Thank you for your cooperation in this matter.

Sincerely,

THE LAKEWOOD INSULATION COMPANY
